TPAA Year end lunch meeting

Since we could not have usual monthly dinner in late December due to holidays, friends agreed to get together earlier in the month for a lunch meeting.

Our last monthly meeting in 2014 on Tuesday, December 9, was an unforgettable event! The lunch meeting was another effort by the association to gather members together and provide them with the opportunity to have a good time with friends that they know for a long time and also find new friends that could stay for a long time!

The lunch meeting also was a kind of celebration of the coming new year and holidays. 12 graduates and their friends/relatives were present.

Our gathering started years ago at a restaurant in Los Angeles, later continued in Orange County. Now, every Tuesday evening at 7:00 P.M. we meet for few hours, having drinks, dinner and a lot of talks, jokes, fun and laugh! At the end of the meeting everybody feel they had a good and relaxed time with people they know and enjoy seeing them.

Our first dinner meeting in 2015 will be on Tuesday January 27. Mark your calendar!

The recreation area benches under the beautiful gazebo of Abbass Namavar's residence in Cypress was the gathering place for December 9 luncheon with "Dizi like Aabgousht" lunch provided by Abbass!

We all thank abbass for going through all that trouble to make that luncheon happen.

Luncheon Attendees

At our luncheon on Tuesday December 9, 2014, we had the pleasure of visiting our old friends! Some of them we hadn't seen in a long time! Visiting friends and being together for few hours and talking of everything and every where is a joy that you can not find elsewhere other than these type of meetings. Although the luncheon was in the middle of the week when many of us are working or somehow busy, we were surprised to see that as many as 12 graduates and their friends and relatives could attend.

Here is the list of friends who were able to attend (in order of alphabetically by last name):

Shahin Araghi , Massoud Badiee, Dari-oush Harbi, Hossein Kashfi, Abbass Namavar, Freidoon Namavar, Morteza Oreizy, Freidoon Rezai, Freidoon Torabi, Ali Sharifi, Bahman Sharifi, and Mohesen Yousefi.

Please let us know if we have mis-spelled your name!

Our gatherings are not limited to Polytechnic graduates. Feel free to bring your friends and relatives. Hopefully we can expand our group to include our spouses as well.

Our goal is to plan our luncheon and dinner meetings in a convenient place for everyone. We are also planning for picnics in a nearby park where it is convenient for most of attendees weather permitted.

We look forward to seeing more of you at our next dinner in January. We will send out an e-mail with more information one week before the dinner to remind you of time and place.

Thanks and happy new year!
